After being one of the most successful junior road riders in the world, Pfeiffer began her senior career as the youngest member of Team Sunweb (now Team dsm-firmenich PostNL), a set up renowned for nurturing and bringing on young talent. Pfeiffer is an integral member of the team, as road captain, helping the team to achieve some exceptional results and dominating in the sprints.

Pfeiffer started riding when she was only four. She used to live in Herne Hill, just a couple of minutes away from the world-famous velodrome, often going there with her father, Peter Georgi, who raced internationally. After being spotted as a youngster, she trailblazed through the ranks and at just 17 she won the Senior Track Nationals Madison title.

A defining moment came in late 2021, where Pfeiffer stormed ahead to victory at the British National Championships - an honour to wear the famous stripes. In 2022 she clinched a silver medal in the U23 Road Race at the World Championships after a very strong performance in a challenging race, and 2023 was when Pfeiffer took her first WorldTour win at Brugge-De Panne, launching an exceptionally timed attack to come away with victory. A couple of months later, she reclaimed the National title, which she won again in 2024.

A career highlight was Paris Roubaix Femmes avec Zwift 2024, where Pfeiffer sprinted to a podium 3rd place, pipping Marianne Vos on the line. Olympic selection followed where Pfeiffer rode into a stunning 5th place in the Road Race. The future is very bright for Pfeiffer.
